Dear Sir

I have had an offer from
J. Dunmott for 3000s printing C.B.B. at 14 3/8 c
bm. which I have refused & offered them at
14 1/2 c ~~6~~ months del in Providence which I think they
will yet accept. Therefore I think you had
better bale them up at once, as they will look
better to be baled some time. Hope you will
be able to make them a little finer, as they would
must with more ready sale

Yours P

Wm. H. Robeson
